**Model Railroad Club Announces Family Summer Savings Program**

**UNION, NJ** – The Model Railroad Club, Inc., an activity of the Union County, NJ Park System, announced today its Family Summer Savings Program. Every Saturday in July and August, all children five years of age and younger will be admitted free of charge.

“We get many repeat visitors throughout the year and a majority of them are families,” said Club President Ray Russell. “With the economy still a bit shaky and the summer vacation season in full swing, we want to offer families an incentive to visit an enjoyable attraction for the whole family close to home.”

The Model Railroad Club, Inc. was founded in 1949 in the basement of Mr. Paul Mallery, a pioneer of the hobby of model railroading. The Club occupies a building on Union County parkland designed, built and maintained entirely by the members, under a unique arrangement with the Union County Park System. The Club building is located
