Railroad Club Honors First Responders During Annual Sound and Light Show

UNION, NJ – The Model Railroad Club, Inc., an activity of the Union County, NJ Park System, today announced that it will be honoring first responders during the second weekend of the Club’s annual Sound and Light Show.

Saturday, December 6 is “Armed Services Appreciation Day.” Active military personnel showing their military ID at the ticket window will be admitted free of charge. Sunday, December 7 is “Police, Fire and EMT Appreciation Day.” Guests showing a valid, current police, fire or EMT ID at the ticket window will be admitted free of charge.

“These people are true heroes,” said Club President Ray Russell. “They put their lives on the line for us every day of the year. Some of our members belong to their local volunteer rescue squads and know first hand the tremendous job first responders do. We’re pleased to be able to honor them with this token of our appreciation.”
