### **FOR IMMEDIATE RELEASE**

#### **Model Railroad Club Announces Return of Summer Savings Program**

**UNION, NJ** – The Model Railroad Club, Inc., an activity of the Union County, NJ Park System, announced today the return of its Family Summer Savings Program. Every Saturday from June through August all children twelve years of age and younger will be admitted free of charge, when accompanied by an adult. The Club is open to the public on Saturdays from 1 to 4 PM.

“We received positive feedback when we introduced this program last summer,” said Club President Ray Russell. “This year we wanted to start it earlier in the season and expand the program so that all kids under thirteen could benefit. With gasoline and other prices rising, this is a great incentive to visit an enjoyable, affordable attraction for the whole family that’s close to home.”
