**Model Railroad Club to Name Building After Late Founder**

**UNION, NJ** – The Model Railroad Club, Inc., an activity of the Union County, NJ Park System, announced today that it received permission from the Union County Board of Chosen Freeholders to name its headquarters after its late founder, Mr. Paul Mallery. The freeholders voted unanimously to pass a resolution authorizing the naming of the building at its February 8, 2005 meeting.

The Club building, located in Lenape Park in the Township of Union, will be named “The A. Paul Mallery Model Railroad Center.” Mr. Mallery was a pioneer in the hobby of model railroading and was instrumental in forging a relationship with Union County that resulted in The Model Railroad Club becoming an activity of the Union County Department of Parks and Recreation.
