Model Railroad Club Announces “Public Appreciation Day”

UNION, NJ – The Model Railroad Club, Inc., a tax-exempt public charity affiliated with the Union County, NJ Department of Parks and Recreation, today announced that Saturday, December 9, 2006 will be “Public Appreciation Day.” The first 500 guests attending the Club’s annual Light and Sound Show will receive a special gift.

“We’re pleased to be able to present this token of our appreciation for all the wonderful support the Club receives from the public – not only during our annual show, but throughout the year as well,” said Club president Ray Russell. “As a tax-exempt organization, we rely on public support to keep the lights on and the trains running.”

The final weekend of the show is December 8-10 at the club building, located on Jefferson Avenue, off Route 22 east in Union, New Jersey behind The Home Depot.

Show times are: Friday, 7 pm -10 pm; Saturdays 10 am to 8 pm and Sundays 11 am to 6 pm. Free parking is available on site and the building is wheelchair accessible.

The show features the Club’s 1,600 square foot HO Scale layout. A 30 by 27 foot, double-decked N Scale layout is also featured. Visitors will also be able to view the progress that has been made on the 60 by 80 foot addition to the HO Scale layout.

The show is a perennial favorite with children and adults alike. It is the club’s major fund raising event for the year and proceeds from admission donations and purchases made at the Club’s gift shop and snack shop will help fund the Club’s activities.
