**FOR IMMEDIATE RELEASE**

**Model Railroad Club Announces Return of Family Summer Savings Program**

**UNION, NJ** – The Model Railroad Club, Inc., an activity of the Union County, NJ Park System, announced today the return of its popular Family Summer Savings Program. Beginning Saturday, June 23 and running through Saturday, August 25, all children twelve years of age and younger will be admitted free of charge.

“We are pleased to once again offer this special program,” said Club President Carlos Langezaal. “With the price of gas being so high this summer we want to offer an incentive to visit an enjoyable, affordable attraction for the whole family close to home.”

The Model Railroad Club, Inc. was founded in 1949 in the basement of the late Paul Mallery, a pioneer of the hobby of model railroading. The Club occupies a building on Union County parkland designed, built and maintained entirely by the members, under a unique arrangement with the Union County Park System. The Club building is located
