Model Railroad Club Announces New Child Admission Cut-off Age

UNION, NJ – The Model Railroad Club, Inc., a tax-exempt public charity affiliated with the Union County, NJ Department of Parks and Recreation, today announced that the cut-off age for child admissions has been raised from 13 years of age, to 16 years of age. The new policy, which had been in effect on a trial basis since January 5, is being made permanent thanks to favorable support from the public. The suggested individual child admission donation will remain \$3.00. The new policy also applies to the Club's discount ticket plans as well as admission to its annual holiday show.

“We are delighted to make this change permanent,” said Club president, Carlos Langezaal. “We’re serious about our commitment to remain an affordable attraction the entire family can enjoy that’s close to home, and we’re grateful for the public’s support.”

The Club occupies a building on Union County parkland designed, built and maintained entirely by the members, under a unique arrangement with the Union County Park System. Free parking is available on site and the building is wheelchair accessible.
