FOR RELEASE AT WILL

Model Railroad Club Announces 2008 Family Summer Savings Program Dates

UNION, NJ – The Model Railroad Club, Inc., an activity of the Union County, NJ Park System, announced today that its popular Family Summer Savings Program will run from Saturday, June 28 through Saturday, August 30. All children fifteen years of age and younger will be admitted free of charge. All children must be accompanied by an adult.

“The ‘Family Summer Savings Program’ is second only to our annual light and sound show in popularity,” said Club President Carlos Langezaal. “With the price of gas being even higher this year than it was in 2007, we are pleased to be able once again to offer this program. The Club is an enjoyable, affordable attraction for the whole family that’s close to home.”

The Model Railroad Club, Inc. was founded in 1949 in the basement of the late Paul Mallery, a pioneer of the hobby of model railroading. The Club occupies a building on
